

AVANTUS™

# Cleantech

## CAREER ACADEMY

The first-of-its-kind Avantus Cleantech Career Academy, presented in partnership with UNITE-LA, creates opportunities for young Angelenos to succeed in California's green energy future. Through education, job-readiness programs and paid work-based learning, future clean energy leaders develop the real-world skills employers need and gain access to high-growth, high-wage jobs.

**The Academy will take place virtually over a 12-week period on Mondays and Wednesdays from 4 to 6:30 p.m.**

### APPLY NOW

[bit.ly/CleantechCareerAcademy](https://bit.ly/CleantechCareerAcademy)

#### Why Participate?

-  Earn \$16.04 per hour while you build knowledge of opportunities in the cleantech sector.
-  Earn a \$1,000 scholarship upon completion of your Academy training and internship for enrollment in a program that leads to a degree or certificate aligned with the cleantech industry.
-  Build a professional network with influential industry, academic and organized labor leaders.
-  Work closely with mentors and other young Angelenos across a range of cleantech sectors to develop industry-driven projects.
-  Be one of the first to complete our inaugural Academy and gain priority access to employment opportunities with leading cleantech employers.
-  Develop marketable skills to succeed and put you on a path forward in the cleantech industry.

#### Key Dates:

- **Jan. 30, 2023**  
Priority Application Deadline
- **Late February**  
Acceptance Notifications
- **March 27, 2023**  
Program Starts

#### Requirements:

- 16-24 years old
- L.A. County resident
- Proof of COVID-19 vaccination or qualifying medical/religious exemption
- Interest and commitment to learning about the cleantech economy (No prior industry/work experience is required)
- Availability to commit to 12 weeks of virtual sessions with occasional in-person sessions. In-person sessions include the kick-off in March, graduation in June and scheduled employer site visits.
- Access to an internet-enabled device and Wi-Fi
