

SOUTH EAST HIGH SCHOOL

Spring 2022

We are extremely proud to have collaborated with students, parents, teachers, counselors, and administrators at South East High School for our first in-person semester. Together, SEHS and GEAR UP are creating a college and career-going culture early in students' high school years. We conducted workshops, with 98% of our students encouraged to start thinking about colleges and careers now! Our counseling team met one-on-one with 594 students to discuss each students' unique academic and social-emotional needs and set goals to reach their full potential.

ACCOMPLISHMENTS August 2021 to December 2021

- Counseling and advising
- College knowledge workshops for students
- SEL workshops for students/families
- CTE college visits
- Online career course
- SEL motivational guest speaker
- Family college knowledge workshops
- Fall Peer Mentor Summit
- 24/7 Tutor.com support
- Signal Vine texting for family outreach

Highlights

TEACHER - CAREER COURSE

"The Gladeo Career course allows students to learn more about themselves and explore careers and industries they may have never heard of. I wish I had done this in high school!"

STUDENT - TUTOR.COM

"I started using Tutor.com during the summer when I was taking the Jaime Escalante math class. It helped me so much with my learning and now I go on every day to get help with my class assignments."

THE GU4LA IMPACT

AUG. 19, 2021-DEC. 17, 2021

STUDENT ENGAGEMENT

CLASSES OF 2024 & 2025

1033

UNIQUE GU4LA STUDENTS SERVED

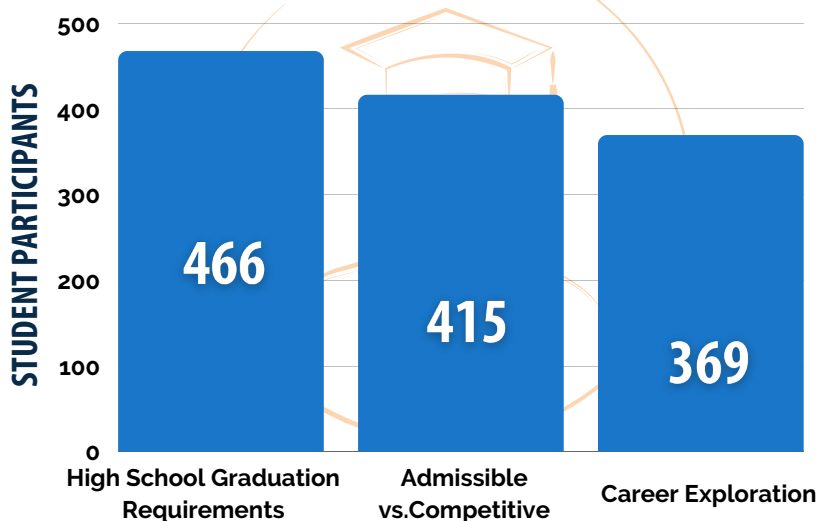

2038

HOURS PROVIDED

During the fall semester, our student services really picked up with all students back on campus. All students received at least one service from our GEAR UP staff and partners. On average, we provided 2 hours of services to each student, launching our students closer to college and career success after high school.

STUDENT WORKSHOP HIGHLIGHTS

At South East, **94%** of GEAR UP students received in-classroom workshops covering topics such as A-G high school graduation and college entrance requirements, what makes a candidate admissible vs. competitive, as well as what kind of careers students might want to pursue.

FAMILY ENGAGEMENT

We provided 128 hours of services to 277 GEAR UP families via virtual workshops on financial aid and credit recovery as well as virtual college field trips.

277

UNIQUE GU4LA FAMILIES SERVED

We communicated extensively with parents through a two-way texting platform called Signal Vine.

128

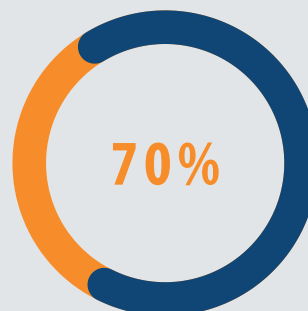

HOURS PROVIDED

WHY GEAR UP?

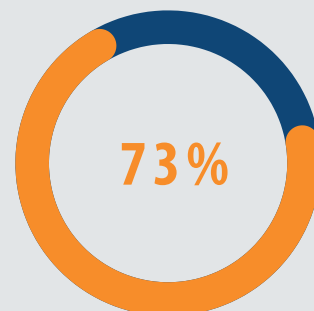

According to the GEAR UP survey administered to 90% of ninth- and 10th-graders at the beginning of the year, almost half of students plan to attend a four-year university or graduate program. However, most students don't know how to apply to college or how to secure financial aid to pay for it.
