

SUMMER 2022 WITH GEAR UP

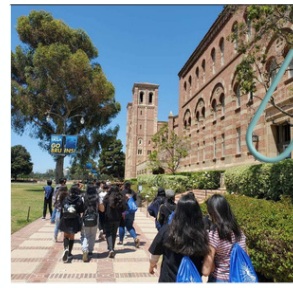

Hello RFK and Rise Kohyang Family! The GEAR UP team is proud to be a part of this community that continues to thrive and support our students. Here is a special collage we have put together to showcase some of our GEAR UP activities and student achievements this summer.

RFK and Rise Students in the Chinese Garden @ the Huntington Library

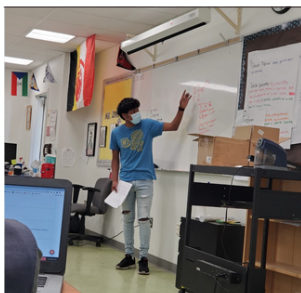

Students working hard at the Jaime Escalante Math Program

Students enjoying the beautiful UCLA campus during CAPA

Award ceremony at the Occidental College Academy art show

Many of our students use the summer to get ahead in their math classes through JEM program

Oxy College Academy students in the Hall of Portraits at the Huntington Library

Lunch break during JEM Algebra 2 and Geometry will work up your appetite

PAL program trained our mentors to be college knowledge experts.

Our Leadership conference featured many fun and exciting learning activities

CAPA students explored majors and career goal for two days at UCLA

RISE students engaged in learning about FIMAGE and character during SEEDS training

An exciting summer filled with amazing learning opportunities!
